COCK OIL™

COCK-A-DOODLE-GOO!

**ULTRA PREMIUM
WATER BASED
PERSONAL LUBRICANT**

OUR STORY

WELCOME TO THE MOVEMENT.

Cock Oil isn't just a lubricant it's a brand inspired by vintage design and built for modern pleasure. With our old-fashioned cans and bottles, we bring a bold, retro look that's both fun and unforgettable.

But we're more than just eye-catching packaging.

Cock Oil delivers high-quality, FDA 510(k) approved water-based lubricant designed to enhance comfort, intimacy, and pleasure. Safe, smooth, and reliable. Our formula is made to perform.

And we're just getting started. With silicone and hybrid lubricants coming soon, Cock Oil is expanding into a full line of premium intimate products, all with the same unique personality and commitment to quality. We're also offering stylish apparel that reflects the bold spirit of the brand. We created Cock Oil to bring fun into intimacy while delivering a product you can trust.

With strong profit margins for retailers and distributors, it's not just a product it's a smart business move.

Cock Oil is the new thing. Premium quality, vintage look, and full of personality.

**PREMIUM NEVER FELT
THIS FUN.**

PREMIUM LUBRICANT

Our premium water-based lubricant is designed to enhance intimacy with a silky, natural feel that complements the body's own moisture. Safe for sensitive skin and pH-balanced, it provides gentle, irritation-free comfort perfect for men, women, couples, and solo play. Toy-friendly and compatible with most condoms, it's easy to clean with just water no mess, no residue. Manufactured in an FDA-regulated facility and 510(k) approved, it delivers medical-grade quality you can trust for every intimate moment.
