

PRODUCT DESCRIPTION

Introducing CockOil's **water-based** personal lubricant crafted for pure pleasure with a clean, body-safe formula and absolutely no unnecessary additives. **Made right here in the USA in an FDA-regulated, 510(k)** compliant laboratory, CockOil ensures you get a product that's not just fun but also meets the highest safety standards.

Our unique, playful cans and bottles add a touch of whimsy to your intimate moments, while the 510(k) compliance means you can enjoy every drop with complete peace of mind. CockOil is all about delivering quality, safety, and a bit of extra joy.

KEY FEATURES

- Water-Based Formula
- Clean, non-sticky, and easy to wash off—ideal for all types of play.
- Body-Safe Ingredients
- Free from unnecessary additives, parabens, and harsh chemicals for a gentle, skin-friendly experience.
- Proudly manufactured domestically in an FDA-regulated, 510(k) compliant facility.
- Playful, Unique Packaging
- Condom-Compatible & Toy-Safe
- Safe for use with latex condoms and silicone sex toys
- Non-Greasy & Non-Staining
- Leaves no oily residue just smooth, slick pleasure.
- Long-Lasting Glide
- Provides ample lubrication without frequent reapplication.
